The first volume in a trilogy of prayer manuals compiled by Publishers Weekly religion editor Phyllis Tickle as a contemporary Book of Hours to guide Christians gently yet authoritatively through the daily offices. The Divine Hours is the first major literary and liturgical reworking of the sixth-century Benedictine Rule of fixed-hour prayer. This beautifully conceived and thoroughly modern three-volume guide will appeal to the theological novice as well as to the ecclesiastical sophisticate. Making primary use of the Book of Common Prayer and the writings of the Church Fathers, The Divine Hours is also a companion to the New Jerusalem Bible, from which it draws its Scripture readings. The trilogy blends prayer and praise in a way that, while extraordinarily fresh, respects and builds upon the ancient wisdom of Christianity. The first book in the set, Prayers for Summertime, filled with prayers, psalms, and readings, is one readers will turn to again and again. Compact in size, it is perfect for those seeking greater spiritual depth. As a contemporary Book of Hours, The Divine Hours: Prayers for Summertime heralds a renewal of the tradition of disciplined daily prayer, and will whet the hunger of a large and eager audience for the follow-up autumn/winter and spring volumes. In her acclaimed trilogy, The Divine Hours, Phyllis Tickle introduced modern Christians to the time-honored practice of "praying the hours." In this exquisite new volume, she provides a vibrant program of prayer dedicated to the anticipation of Christ's resurrection. Beginning with Ash Wednesday and moving through Lent and on to Easter Sunday, Eastertide provides the daily prayers that bring practitioners into the full spirit of this season. Each day is filled with psalms, readings from the Bible, and hymns of praise and worship, just as they appear in the larger volume, The Divine Hours: Prayers for Springtime. Newcomers to this beloved tradition will find that Eastertide is the perfect introduction to joining the ancients in the tradition of fixed-hour prayer. "A wise rabbi once told me that it is not how many prayers we don't say that matters to God, but rather how many we do. That is important to all of us, but especially for beginners. If this is your first attempt to return to this most ancient of Christian practices, it is wise to remember that you are entering into a discipline and, like all disciplines, this one sits hard and heavy upon one at times. There are hours you will miss and/or some that you can't even begin to figure out how to observe. That is all right, for either the joy will carry you into greater joy and transmute the discipline into privilege, or you will find yourself simply the wiser and the richer for such experience as you have had. As the rabbi said, that is what matters ultimately." "A Benedictine liturgy of the hours for Christian daily prayer"--Provided by publisher. The Order of Morning and Evening Prayer throughout the year taken from the Divine Office. Consistent daily prayer is possible with help from this program that divides an hour of prayer into five-minute "points of focus." Just Prayer is a four-week prayer cycle for morning and evening readings to support people who "hunger and thirst for justice." Patterned on the ancient monastic Hours, it offers psalms, intercessions, and reflections fashioned to strengthen a personal commitment to justice. The weekly themes are: recognizing God's command that we act justly; lamenting suffering and injustice in our world; repenting our failures and renewing our commitment to justice; and, finally, celebrating God's promise of justice lived as a new heaven and new earth. Weekly reflections encourage personal transformation by emphasizing the connection between justice action and peaceful communities. Created with parishes, youth groups, mission trip participants, and social justice organizations in mind, Just Prayer supports hands-on service work in local communities. By repeating and building upon the prayer sequences in Just Prayer, we can conform our hearts more fully to Christ's living message of compassion and justice for the least among us. The print edition features a soft, leather-like cover and a durable ribbon for convenient daily prayer. Written in the nineteenth century, rediscovered in the twenty-first, timeless in its wisdom and beauty, Hours of Devotion by Fanny Neuda, (the daughter of a Moravian rabbi), was the first full-length book of Jewish prayers written by a woman for women. In her moving introduction to this volume--the first edition of Neuda's prayer book to appear in English for more than a century--editor Dinah Berland describes her serendipitous discovery of Hours of Devotion in a Los Angeles used bookstore. She had been estranged from her son for eleven years, and the prayers she found in the book provided immediate comfort, giving her the feeling that someone understood both her pain and her hope. Eventually, these prayers would also lead her back to Jewish study and toward a deeper practice of her Judaism. Originally published in German, Fanny Neuda's popular prayer book was reprinted more than two dozen times in German and appeared in Yiddish and English editions between 1855 and 1918. Working with a translator, Berland has carefully brought the prayers into modern English and set them into verse to fully realize their poetry. Many of these eighty-eight prayers, as well as Neuda's own preface and afterword, appear here in English for the first time, opening a window to a Jewish woman's life in Central Europe during the Enlightenment. Reading "A Daughter's Prayer for Her Parents," "On the Approach of Childbirth," "For a Mother Whose Child Is Abroad," and the other prayers for both daily and momentous occasions, one cannot help but feel connected to

the women who've come before. For Berland, Hours of Devotion served as a guide and a testament to the mystery and power of prayer. Fanny Neuda's remarkable spirit and faith in God, displayed throughout these heartfelt prayers, now offer the same hope of guidance to others. Pray without ceasing with this compact edition of the Daily Office complete with prayers and psalms for one week. This beautiful little book, excerpted from The Book of Common Prayer, will enable anyone to say the hours every day: Morning Prayer, Noonday Prayer, Evening Prayer, and Compline. Perfect for prayer and worship at all times and in all places. Hour by Hour is a thoughtful gift - the cover is deluxe soft leather, and it's packaged in a small white gift box. Phyllis Tickle's inspirational trilogy The Divine Hours™ was the first major literary and liturgical reworking of the sixth-century Benedictine Rule of fixed-hour prayer--an age-old discipline of saying prayers at certain times of the day. This highly regarded trilogy has become one of America's best-loved and most frequently consulted manuals for observing this ancient form of Christian worship. Now, in The Night Offices, Tickle offers the perfect complement to The Divine Hours™, bringing together prayers, psalms, hymn texts, religious poetry and other readings not included in the original trilogy, covering the offices for the hours from late evening (Compline) to early morning (Prime). Fans of the Divine Hours™ will recognize Tickle's simple, elegant format, her use of a modern calendar rather than a liturgical one, and the single ribbon in the binding, to track one's progress through the year. As in the trilogy, Tickle makes primary use of the Book of Common Prayer and the writings of the Church Fathers, and she draws all the scriptural readings from the Revised Standard Version. The book includes a set of Matins, Lauds, and Prime specific to each day of the week and varied only by month. Thus, the Monday reading for January would be used every Monday in January, but Monday in February would have new offices for it. The cumulative total, being 84 Matins, 84 Lauds, and 84 Prime (252 offices), fits neatly into a single, nightstand edition, a small, compact book that can be comfortably held in the hand. Easy to use, poetically rich, with a superb sampling of devotional works, The Night Offices will be welcomed by a broad readership, Christian and non-Christian alike. You don't live in a cloister or a monastery, but you take your prayer life seriously and want to explore ways to pray regularly and better. The Liturgy of the Hours is one of those ways—but for those of us who find it a little intimidating, Daria Sockey provides a solid overview to this ancient prayer practice. The Everyday Catholic's Guide to the Liturgy of the Hours will answer questions like: What is the history of the Liturgy of the Hours? How can the Liturgy of the Hours fit into a busy schedule? Why is the Liturgy of the Hours relevant today? Print or online resources: Which is better? There is a rhythm of prayer, not just throughout the day, but throughout the year. Sockey explores the spiritual riches of the seasons, the saints, and special feast days, which add depth and variety to prayer. She also addresses the practice of praying the Scriptures, especially the psalms, and helps the reader to appreciate the universal beauty of these ancient prayers. Don't let concerns about "what page am I supposed to be on?" scare you away. Sockey will be your guide to answer common questions and overcome common fears. Your prayer life will never be the same! From the author of *Magical Negro*, Winner of the National Book Critic's Circle Award Named a Best Book of Summer 2021 by Publishers Weekly "Hilarious and hard-hitting . . . it ripples with energy, insight, and searing music." —Tracy K. Smith, author of *Wade in the Water* Other People's Comfort Keeps Me Up at Night—the book that launched the career of one of our most important young American poets—is back in print. The debut collection from award-winning poet Morgan Parker demonstrates why she's become one of the most beloved writers working today. Her command of language is on full display. Parker bobs and weaves between humor and pathos, grief and anxiety, Gwendolyn Brooks and Jay-Z, the New York School and reality television. She collapses any foolish distinctions between the personal and the political, the "high" and the "low." Other People's Comfort Keeps Me Up at Night not only introduced an essential new voice to the world, it contains everything readers have come to love about Morgan Parker's work. This book features 107 of the finest examples of illuminated pages from medieval and Renaissance Books of Hours. Roger Wieck's comprehensive text introduces the Book of Hours -- a "bestseller" for three hundred years -- to the general reader, discussing its iconography, the artists who illuminated this genre, and its role as a religious text in the lives of its owners. As a collection of both stirring words and inspiring images, the Book of Hours thus comprised a series of "painted prayers". Thomas Merton was the most popular proponent of the Christian contemplative tradition in the twentieth century. Now, for the first time, some of his most lyrical and prayerful writings have been arranged into *A Book of Hours*, a rich resource for daily prayer and contemplation that imitates the increasingly popular ancient monastic practice of "praying the hours." Editor Kathleen Deignan mined Merton's voluminous writings, arranging prayers for Dawn, Day, Dusk, and Dark for each of the days of the week. *A Book of*

For all who are interested in the daily office and praying the hours. People in all kinds of religious traditions, including Judaism and Christianity, have been marking time with prayer for almost as long as we've divided the day into hours. "Praying the hours," as it's called, has always reminded us that God walks with us throughout each day; "praying the hours" is also a way that the community of faith comes together, whether we're united all in one place or scattered like raindrops. In the Episcopal Church, the Book of Common Prayer offers beautiful services for morning, noon, evening, and nighttime in a section called "The Daily Office" (pp 35-146). *Daily Prayer for All Seasons* offers a variation on that theme, where a complete service covers one or two pages, thereby eliminating the need to shuffle prayer books and hymnals. *Daily Prayer for All Seasons* works for individuals, small groups, and/or congregations. This prayer book presents a variety of images of God, uses inclusive and expansive language for and about God, and presents a rich variety of language, including poetry, meditation, and prayers from the broader community of faith. This book is meant to help all clergy, religious, and lay people to share more fully in the Prayer of the Church through inspirational prayers and reflections centered on the celebration of the Hours. This monograph examines Anglo-Saxon prayer outside of the communal liturgy. With a particular emphasis on its practical aspects, it considers how small groups of prayers were elaborated into complex programs for personal devotion, resulting in the forerunners of the Special Offices. With examples being taken chiefly from major eleventh-century collections of prayers, liturgy and medical remedies, the methodologies of Anglo-Saxon compilers are examined, followed by five chapters on specialist kinds of prayer: to the Trinity and saints, for liturgical feasts and the canonical hours, to the Holy Cross, for protection and healing, and confessions. Analyzing prayer in a wide range of different situations, this book argues that Anglo-Saxon manuscripts may have included far more private offices than have so far been recognized, if we see them for what they were. The first volume in a trilogy of prayer manuals, this devotional based on the Benedictine calendar of worship focuses on prayer during the summer months and

includes an inspirational assortment of prayers, psalms, and readings for those seeking spiritual guidance and renewal. Prayers for mid-morning, midday, and midafternoon. How was the Book of Hours created and used as a book and what did it mean to its owners?
