Real Frank Zappa Book Oct 17 2021 Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.

The Teammates Oct 05 2020 More than 6 years after his death David Halberstam remains one of this country's most respected journalists and revered authorities on American life and history in the years since WWII. A Pulitzer Prize-winner for his groundbreaking reporting on the Vietnam War, Halberstam wrote more than 20 books, almost all of them bestsellers. His work has stood the test of time and has become the standard by which all journalists measure themselves. The Teammates is the profoundly moving story of four great baseball players who have made the passage from sports icons--when they were young and seemingly indestructible--to men dealing with the vulnerabilities of growing older. At the core of the book is the friendship of these four very different men--Boston Red Sox teammates Bobby Doerr, Dominic DiMaggio, Johnny Pesky, and Ted Williams--who remained close for more than sixty years. The book starts out in early October 2001, when Dominic DiMaggio and Johnny Pesky begin a 1,300-mile trip by car to visit their beloved friend Ted Williams,

whom they know is dying. Bobby Doerr, the fourth member of this close group—"my guys," Williams used to call them--is unable to join them. This is a book--filled with historical details and first-hand accounts--about baseball and about something more: the richness of friendship.

Nothin' But a Good Time Dec 07 2020 The New York Times Bestseller The Explosive National Bestseller "A backstage pass to the wildest and loudest party in rock history—you'll feel like you were right there with us!" —Bret Michaels of Poison Nothin' But a Good Time is the definitive, no-holds-barred oral history of 1980s hard rock and hair metal, told by the musicians and industry insiders who lived it. Hard rock in the 1980s was a hedonistic and often intensely creative wellspring of escapism that perfectly encapsulated—and maybe even helped to define—a spectacularly over-the-top decade. Indeed, fist-pumping hits like Twisted Sister's "We're Not Gonna Take It," Mötley Crüe's "Girls, Girls, Girls," and Guns N' Roses' "Welcome to the Jungle" are as inextricably linked to the era as Reaganomics, PAC-MAN, and E.T. From the do-or-die early days of self-financed recordings and D.I.Y. concert productions that were as flashy as they were foolhardy, to the multi-Platinum, MTV-powered glory years of stadium-shaking anthems and chart-topping power ballads, to the ultimate crash when grunge bands like Nirvana forever altered the entire climate of the business, Tom Beaujour and Richard Bienstock's Nothin' But a Good Time captures

the energy and excess of the hair metal years in the words of the musicians, managers, producers, engineers, label executives, publicists, stylists, costume designers, photographers, journalists, magazine publishers, video directors, club bookers, roadies, groupies, and hangers-on who lived it. Featuring an impassioned foreword by Slipknot and Stone Sour vocalist and avowed glam metal fanatic Corey Taylor, and drawn from over two hundred author interviews with members of Van Halen, Mötley Crüe, Poison, Guns N' Roses, Skid Row, Bon Jovi, Ratt, Twisted Sister, Winger, Warrant, Cinderella, Quiet Riot and others, as well as Ozzy Osbourne, Lita Ford, and many more, this is the ultimate, uncensored, and often unhinged, chronicle of a time where excess and success walked hand in hand, told by the men and women who created a sound and style that came to define a musical era—one in which the bands and their fans went looking for nothin' but a good time...and found it.

You Can't Always Get What You Want Jan 20 2022 A "straight-dope, tell-all account" of touring with two of the world's greatest bands of the 60s and 70s—A "fast-moving narrative of rock-n-roll excess" (Publishers Weekly). In this all-access memoir of the psychedelic era, Sam Cutler recounts his life as tour manager for the Rolling Stones and the Grateful Dead—whom he calls the yin and yang of bands. After working with the Rolling Stones at their historic Hyde Park concert in 1969, Sam managed their American tour later that

year, when he famously dubbed them “The Greatest Rock Band in the World.” And he was caught in the middle as their triumph took a tragic turn during a free concert at the Altamont Speedway in California, where a man in the crowd was killed by the Hell’s Angels. After that, Sam took up with the fun-loving Grateful Dead, managing their tours and finances, and taking part in their endless hijinks on the road. With intimate portraits of other stars of the time—including Janis Joplin, Jimi Hendrix, the Band, the Allman Brothers, Pink Floyd, and Eric Clapton—this memoir is a treasure trove of insights and anecdotes that bring some of rock’s greatest legends to life.

Cracking the Code Sep 27 2022

One Way Out Nov 05 2020 A major portrait of the legendary American rock-and-roll band draws on exclusive interviews to track their career from 1969 to the present and is complemented by previously unpublished photographs and memorabilia. 100,000 first printing.

The Love You Make Aug 15 2021 Here is the national bestseller that Newsday called “the most authoritative and candid look yet at the personal lives...of the oft-scrutinized group.” In *The Love You Make*, Peter Brown, a close friend of and business manager for the band—and the best man at John and Yoko’s wedding—presents a complete look at the dramatic offstage odyssey of the four lads from Liverpool who established the greatest music phenomenon of the twentieth century. Written with the full cooperation of

each of the group's members and their intimates, this book tells the inside story of the music and the madness, the feuds and the drugs, the marriages and the affairs—from the greatest heights to the self-destructive depths of the Fab Four. In-depth and definitive, *The Love You Make* is an astonishing account of four men who transformed the way a whole generation of young people thought and lived. It reigns as the most comprehensive, revealing biography available of John, Paul, George, and Ringo. Includes 32 pages of rare and revealing photos

A Literary Guild® Alternate Selection

*How Black Was Our Sabbath* Jan 08 2021 During the seventies, David Tangye and Graham Wright were part of the Black Sabbath crew—and they have the stories to prove it. As the group grew in fame and notoriety, incidents of bad behavior mounted alarmingly.

Whether it's Geezer's lyrical journeys into the underworld or the gun-obsessed Ozzy Osbourne at home in Atrocity Cottage, this is Sabbath as you've never known them before. A real-life Spinal Tap, this is a warm, funny tribute to four mates from Birmingham who became the biggest heavy rock band in the world.

*Time Between* Aug 03 2020 As a co-founder of The Byrds and The Flying Burrito Brothers, Chris Hillman is arguably the primary architect of what's come to be known as country rock. He went on to record and perform in various configurations, including as a member of Stephen Stills's Manassas and as a co-founder of The Souther-Hillman-Furay Band. In the

1980s he formed The Desert Rose Band, scoring eight Top 10 Billboard country hits. He's released a number of solo efforts, including 2017's highly acclaimed *Bidin' My Time*—the final album produced by the late Tom Petty. In *Time Between*, Hillman shares his quintessentially Southern Californian experience, from an idyllic, rural 1950s childhood; to achieving worldwide fame thanks to hits such as "Mr. Tambourine Man," "Turn! Turn! Turn!" and "Eight Miles High"; to becoming the first musician to move to Laurel Canyon. Featuring behind-the-scenes insights on his time in The Byrds, his productive but sometimes complicated relationship with Gram Parsons, his role in launching the careers of Buffalo Springfield and Emmylou Harris, and the ups and downs of life in various bands, music is only part of his story. Within the pages of *Time Between*, Hillman reveals the details of his personal life with candor and vulnerability, writing honestly about the shocking tragedy that struck his family when he was a teenager, his subsequent struggles with anger, and how his spiritual journey led him to a place of deep faith that allowed him to extend forgiveness and experience wholeness. Chris Hillman is much more than a rock star. He is truly a founding father of American music and a man who has faced down the challenges of life to discover what really matters.

Queen Unseen - My Life with the Greatest Rock Band of the 20th Century: Revised and with Added Material  
Mar 10 2021 Imagine being alongside one of the greatest bands in the history of rock, touring the world

and being there as they perform at some of the best and biggest music venues in the world. Peter Hince didn't have to imagine: for more than a decade, he lived a life that other people can only dream of as he worked with Queen as head of their road crew. In 1973, Queen was the support act for Mott the Hoople, for whom Peter was a roadie. Back then, Queen had to content themselves with being second on the bill and the world had not yet woken up to the flamboyant talent of Freddie Mercury. Peter started working full time for Queen just as they were making *A Night at the Opera*, the album which catapulted them to international stardom. In this intimate and affectionate book, Peter recalls the highlights of his years with the band. He was with Freddie when he composed 'Crazy Little Thing Called Love'; he was responsible for making sure that Freddie's stage performances went without a hitch - and was often there to witness his famed tantrums! He was also party to the sex, drugs and rock 'n' roll which are invariably part of life on the road with a rock band.

The Camper Book Sep 23 2019 The Camper Book will captivate all those who dream of waving good-bye to the rat race from the window of their own moveable home, be it a camper, RV, travel trailer, camper van, or tiny camper. Not just for placid retirees anymore, camper culture has sprung up among simplicity-seeking millennials, retro-loving "glampers," sports and movie stars, aging hippies, contract workers, "road-schoolers," and others. Award-winning journalist Dave

Hoekstra hit the road in his own custom camper van, named Bluebird, to explore the history, culture, subcultures, and future of camper life. Traveling and talking his way through US campsites, RV parks, landmarks, and communities, Hoekstra draws out revealing stories from all walks of life—from Americans who are downsizing material goods while upsizing spiritual pursuits to RV enthusiasts such as Grammy-winning singer-songwriter John Prine and Chicago Cubs manager Joe Maddon. A modern-day Studs Terkel, Hoekstra provides a delightful mix of oral history, in-depth reporting, and practical information, while photographer Jon Sall's beautiful color photographs illuminate the unique people, places, and rigs that typify camper life.

Texas Flood Mar 29 2020 An instant New York Times bestseller! The definitive biography of guitar legend Stevie Ray Vaughan, with an epilogue by Jimmie Vaughan, and foreword and afterword by Double Trouble's Chris Layton and Tommy Shannon. Just a few years after he almost died from a severe addiction to cocaine and alcohol, a clean and sober Stevie Ray Vaughan was riding high. His last album was his most critically lauded and commercially successful. He had fulfilled a lifelong dream by collaborating with his first and greatest musical hero, his brother Jimmie. His tumultuous marriage was over and he was in a new and healthy romantic relationship. Vaughan seemed poised for a new, limitless chapter of his life and career. Instead, it all came to a shocking and sudden

end on August 27, 1990, when he was killed in a helicopter crash following a dynamic performance with Eric Clapton. Just 35 years old, he left behind a powerful musical legacy and an endless stream of What Ifs. In the ensuing 29 years, Vaughan's legend and acclaim have only grown and he is now an undisputed international musical icon. Despite the cinematic scope of Vaughan's life and death, there has never been a truly proper accounting of his story. Until now. Texas Flood provides the unadulterated truth about Stevie Ray Vaughan from those who knew him best: his brother Jimmie, his Double Trouble bandmates Tommy Shannon, Chris Layton and Reese Wynans, and many other close friends, family members, girlfriends, fellow musicians, managers and crew members.

Made From Scratch Apr 22 2022 \* An Instant Wall Street Journal Bestseller \* From founder Kent Taylor, the incredible made-from-scratch success story of Texas Roadhouse. In Made From Scratch, the late business maverick Kent Taylor tells the legendary story of Texas Roadhouse and in the process reveals its recipe for success: embracing unorthodox business practices. Because isn't it a little unusual for a company to do almost no advertising? Is it wild to give away free peanuts and rolls and keep prices low, even as costs rise, or to keep the menu basically the same since it opened? Does it fly in the face of reason to prohibit coats and ties at headquarters and to have a CEO who dressed like he was part of the landscaping crew? These business practices might be

unconventional, but for Kent and Texas Roadhouse, they worked. What Kent and his Roadies cooked up is an island of misfits who are cool with being different. They love to have fun, but are serious about following meticulous recipes to serve up hand-cut steaks, fall-off-the-bone ribs, made-from-scratch sides, ice-cold beer, and irresistible fresh-baked bread. It's Legendary Food, Legendary Service, the Texas Roadhouse way. To show how this company became a staple of American dining and survived a once-in-a-lifetime pandemic, Kent took a trip back in time to offer the lessons learned from his pathbreaking life, revealing how a distracted kid from Louisville, Kentucky, created anything worthwhile at all.

My Life with Deth Feb 18 2022 A cofounder and the bassist of the heavy metal band Megadeth shares his uplifting and empowering memoir about overcoming addiction and dedicating his life to God.

Walk This Way May 24 2022 Hang on, it's a hell of a ride! From the band that lived by the motto "Anything worth doing was worth overdoing" -- Steven Tyler, Joe Perry, Tom Hamilton, Brad Whitford, and Joey Kramer -- comes a quarter century of rock godhood: the life, the music, the truth, the hell, the lost years, and the raunchy, unsafe sex. And, of course, the drugs. But after crashing in a suffocating cloud of cocaine, crystal meth, and heroin, Aerosmith rose up from the ashes to become clean and sober -- and reclaim their rightful title as World Champion Rockers. Learn how they did it in a book that is pure Aerosmith unbound: where they came from, what they are now, and what they will

always be -- a great American band.

Ransom Feb 27 2020 Daisy Harris has no reason to suspect that her day will be any different than usual. She'll go to class, alone. She won't speak or make eye contact. She'll spend her entire day doing her best to go completely unnoticed. That's what life is like for Daisy now—an endless cycle of loneliness and fear. A life lived hiding behind the walls she so faithfully maintains. Then she sees it. A magazine, left behind in class. A simple picture—just his face. And it changes everything. It's been a year since she's seen Daltrey Ransome. A year since he and his brothers left town to pursue their dreams of rock and roll superstardom. A year since he left Daisy behind—left her to watch as everything she knew crumbled around her. She's been running from Daltrey ever since, desperate to keep her secret. But she can't run anymore. And now that Daltrey has found her—the girl he's loved his entire life, the girl he'd give up everything for—he's determined never to let her go again.

My Life on the Road Oct 24 2019 NEW YORK TIMES BESTSELLER □ Gloria Steinem—writer, activist, organizer, and inspiring leader—tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar □ St. Louis Post-Dispatch □ Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say:

Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. *My Life on the Road* is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of *Ms.* magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a

difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road "This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers' stories flow, as she puts it, 'out of our heads and into our hearts.'"—People "Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her."—O: The Oprah Magazine "A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future."—USA Today "A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights."—The New York Times "Steinem rocks. My Life on the Road abounds with fresh insights and is as populist as can be."—The Boston Globe

Please Be with Me Jan 26 2020 A deeply personal, revealing, and lyrical portrait of Duane Allman, founder of the legendary Allman Brothers Band, written by his daughter "Duane Allman was my big brother, my

partner, my best friend. I thought I knew everything there was to know about him, but Galadrielle's deep and insightful book came as a revelation to me, as it will to everyone who reads it."—Gregg Allman

Galadrielle Allman went to her first concert as an infant in diapers, held in her teenage mother's arms. Playing was her father—Duane Allman, who would become one of the most influential and sought-after musicians of his time. Just a few short years into his remarkable career, he was killed in a motorcycle accident at the age of twenty-four. His daughter was two years old. Galadrielle was raised in the shadow of his loss and his fame. Her mother sought solace in a bohemian life. Friends and family found it too painful to talk about Duane. Galadrielle listened intently to his music, read articles about him, steeped herself in the mythic stories, and yet the spotlight rendered him too simple and too perfect to know. She felt a strange kinship to the fans who longed for him, but she needed to know more. It took her many years to accept that his life and his legacy were hers, and when she did, she began to ask for stories—from family, fellow musicians, friends—and they began to flow. Galadrielle Allman's memoir is at once a rapturous, riveting, and intimate account of one of the greatest guitar prodigies of all time, the story of the birth of a band that redefined the American musical landscape, and a tender inquiry of a daughter searching for her father in the memories of others. Praise for *Please Be with Me* "Poignant and illuminating . . . brings Duane Allman to life in a way

that no other biography will ever be able to do."—BookPage "Galadrielle Allman offers a moving and poetic portrait of her late father."—Rolling Stone "[Allman's] descriptions and scenes are vivid, even cinematic. . . . The pleasure of reading Please Be With Me lies as much in its lyrical prose as in its insider anecdotes."—Newsweek "An elegantly written, heartfelt account."—The Atlanta Journal-Constitution "Evokes a wistful, elegiac atmosphere; fans of the '70s music scene may find it indispensable."—San Jose Mercury News "A compelling and intimate portrait of Duane."—The Hollywood Reporter "Illuminating."—Kirkus Reviews "Frequently touching . . . Readers will come away feeling more connected to the man and his music."—Publishers Weekly

Rearview Dec 31 2022 Autobiography of an executive producer of reality television shows.

Early Riser Aug 22 2019 An instant New York Times bestseller The latest standalone novel from Jasper Fforde, the bestselling author the Thursday Next series and the forthcoming standalone The Constant Rabbit Every Winter, the human population hibernates. During those bitterly cold four months, the nation is a snow-draped landscape of desolate loneliness, devoid of human activity. Well, not quite. Your name is Charlie Worthing and it's your first season with the Winter Consuls, the committed but mildly unhinged group of misfits who are responsible for ensuring the hibernatory safe passage of the sleeping masses. You are investigating an outbreak of viral dreams which you

dismiss as nonsense; nothing more than a quirky artefact born of the sleeping mind. When the dreams start to kill people, it's unsettling. When you get the dreams too, it's weird. When they start to come true, you begin to doubt your sanity. But teasing truth from the Winter is never easy: You have to avoid the Villains and their penchant for murder, kidnapping and stamp collecting; ensure you aren't eaten by Nightwalkers, whose thirst for human flesh can only be satisfied by comfort food; and sidestep the increasingly less-than-mythical WinterVolk. But so long as you remember to wrap up warmly, you'll be fine.

A Natural Woman May 12 2021 NEW YORK TIMES BESTSELLER "King's songs have mixed rock-soul heart-rush with real-world ache. So does her memoir...Revealing, humble, and cool-aunt chatty."  
-Rolling Stone The incredible life that inspired the hit Broadway musical Beautiful Carole King takes us from her early beginnings in Brooklyn, to her remarkable success as one of the world's most acclaimed songwriting and performing talents of all time. A NATURAL WOMAN chronicles King's extraordinary life, drawing readers into her musical world, including her phenomenally successful #1 album Tapestry, and into her journey as a performer, mother, wife and present-day activist. Deeply personal, King's memoir offers readers a front-row seat to the woman behind the legend and includes dozens of photos from her childhood, her own family, and behind-the-scenes images from her performances.

Home Before Daylight Jul 26 2022 The untold story of life on the road with the Grateful Dead, written by an insider who lived it from the early days to today. Steve Parish was never one to walk the straight-and-narrow, even during his childhood growing up in Flushing Meadow, Queens. Busted as a teenager for selling acid in the summer of 1968, Parish landed in Riker's Island. The experience changed him and after getting out he did his best to stay out of trouble, securing a job moving music equipment at the New York State Pavilion. The first show he worked was a Grateful Dead concert in July of 1969 and Parish was captivated by the music. A life seemingly headed nowhere had suddenly found its calling as he fell in quickly with a band of likeminded misfits who formed the nucleus of what would be the greatest road crew in rock 'n' roll history. Parish traveled to California where his apprenticeship began. Working for the band for free and learning his craft, Parish got to know Jerry, Bobby, Phil, Billy and Mickey and through the years their relationships forged an unbreakable bond. He became very close with Garcia in particular, acting as his personal roadie and later manager for his solo performances and Garcia Band shows. He was there during times of trouble (like when a pimp held Garcia hostage at gunpoint in a New York hotel room), spending hours by his bedside when Garcia was in a coma in 1986, and performing the duties of best man at his wedding. He was also the last friend to see Garcia alive. Throughout the Dead's historic run, there

were parties of biblical proportion and celebrity run-ins with everybody from Bob Dylan to Frank Sinatra--but there was a dark side to life on the road and tragedy didn't just strike the musicians. But Home Before Daylight is a story of friendship, of music and redemption. It is a piece of music history, one that reflects the American spirit of adventure and brotherhood. Seen through Steve Parish's eyes and experiences, The Grateful Dead's wild ride has never been so revealing.

Roadies Feb 06 2021 This is your backstage pass to the hidden side of the music industry - the tantrums, the fights, the tensions, the indulgence, the sex, the alcohol, the drugs. The roadies see it all, and now they are sharing their secrets. Roadies are the unsung heroes of the Australian music industry. They unload the PAs and equipment, they set it all up, they make sure everything is running smoothly before, during and after the gigs. Then they pack everything up in the middle of the night, put it in the back of the truck and hit the road to another town - to do it all over again. They know everything about the pre- and post-show excesses. They bear witness to overdoses, the groupies, the obsessive fans. They are part of - and often organise - all the craziness that goes on behind the scenes of the concerts and pub gigs you go to. From The Rolling Stones to AC/DC, Bob Marley to Courtney Love, Sherbet to The Ted Mulry Gang, INXS to Blondie - these guys have seen it all. And now they're stepping onto the stage and talking. The Roadies'

Creed: If it's wet, drink it. If it's dry, smoke it. If it moves, \*\*\*\* it. If it doesn't move, throw it in the back of the truck. 'Fabulous . . . a bold portrait' SYDNEY MORNING HERALD on Stuart Coupe's GUDINSKI [They Just Seem a Little Weird](#) Nov 25 2019 A veteran music journalist explores how four legendary rock bands—KISS, Cheap Trick, Aerosmith, and Starz—laid the foundation for two diametrically opposed subgenres: hair metal in the '80s and grunge in the '90s. It was the age when heavy-footed, humorless dinosaurs roamed the hard-rock landscape. But that all changed when into these dazed and confused mid-'70s strut-tinged four flamboyant bands that reveled in revved-up anthems and flaunted a novel theatricality. In [They Just Seem a Little Weird](#), veteran entertainment journalist Doug Brod offers an eye- and ear-opening look at a crucial moment in music history, when rock became fun again and a gig became a show. This is the story of friends and frenemies who rose, fell, and soared once more, often sharing stages, studios, producers, engineers, managers, agents, roadies, and fans-and who are still collaborating more than forty years on. In the tradition of David Browne's *Fire and Rain* and Sheila Weller's *Girls Like Us*, [They Just Seem a Little Weird](#) seamlessly interweaves the narratives of KISS, Cheap Trick, and Aerosmith with that of Starz, a criminally neglected band whose fate may have been sealed by a shocking act of violence. This is also the story of how these distinctly American groups-three of them now enshrined in the Rock and Roll Hall of Fame-

laid the foundation for two seemingly opposed rock genres: the hair metal of Poison, Skid Row, and Mötley Crüe and the grunge of Nirvana, Alice in Chains, and the Melvins. Deeply researched, and featuring more than 130 new interviews, this book is nothing less than a secret history of classic rock.

Cider With Roadies Oct 29 2022 Cider with Roadies is the true story of a boy's obsessive relationship with pop. A life lived through music from Stuart's audience with the Beatles (aged 3); his confessions as a pubescent prog rocker; a youthful gymnastic dalliance with northern soul; the radical effects of punk on his politics, homework and trouser dimensions; playing in crap bands and failing to impress girls; writing for the NME by accident; living the sex, drugs (chiefly lager in a plastic glass) and rock and roll lifestyle; discovering the tawdry truth behind the glamour and knowing when to ditch it all for what really matters. From Stuart's four minutes in a leisure centre with MC Hammer to four days in a small van with Napalm Death it's a life-affirming journey through the land where ordinary life and pop come together to make music.

The Dirt Dec 19 2021 NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy

world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

Deal Sep 15 2021 Published to coincide with the band's 50th anniversary, a memoir by one of the Grateful Dead's founding members shares insights into their improvisational style, their survival of shared and personal tragedies and their collaborations with a wide range of fellow artists. Illustrations.

Irrationally Passionate Dec 27 2019 While a college student at Wharton, Jason Kothari scraped together money from family and friends to save his childhood favourite comic book company, Valiant Entertainment, from bankruptcy and bring it back to life. A few years later, he transformed Valiant into the third-largest superhero entertainment company in the world after Marvel and DC Comics and sold it for \$100 million. Jason then became a professional turnaround leader and went on to transform distressed Indian Internet icons Housing.com, FreeCharge and Snapdeal, helping save billions of dollars in value, and advise giants like

technology investor Softbank and real estate developer Emaar, who have invested billions of dollars in India. Irrationally Passionate reveals the inside story of how a rebel, train-wreck kid transformed himself into a successful young entrepreneur and business leader who became one of the top ten paid executives in India while only in his 30s. From getting his first job as an assistant to Jackie Chan in Hong Kong, to learning strategy from champion Muay Thai fighters in Thailand, to tackling huge personal setbacks, to becoming a CEO in 60 seconds, among many other stories - Jason's inspiring journey across countries, industries and companies has something for everyone, right from students to entrepreneurs to corporate CEOs to even parents of students and entrepreneurs. Irrationally Passionate is a highly personal, authentic, open and complete account of a young entrepreneur's life. Brimming with practical advice and philosophical insights, it will force readers to reflect on how they perceive life, work, family and spirituality by giving them a fresh perspective.

Everybody Loves Our Town Mar 22 2022 A Time Magazine Best Book of 2011, Featuring Nirvana, Pearl Jam, Soundgarden, Alice In Chains, Mudhoney and more! Twenty years after the release of Nirvana's landmark album Nevermind comes Everybody Loves Our Town: An Oral History of Grunge, the definitive word on the grunge era, straight from the mouths of those at the center of it all. In 1986, fledgling Seattle label C/Z Records released Deep Six, a compilation

featuring a half-dozen local bands: Soundgarden, Green River, Melvins, Malfunkshun, the U-Men and Skin Yard. Though it sold miserably, the record made music history by documenting a burgeoning regional sound, the raw fusion of heavy metal and punk rock that we now know as grunge. But it wasn't until five years later, with the seemingly overnight success of Nirvana's "Smells Like Teen Spirit," that grunge became a household word and Seattle ground zero for the nineties alternative-rock explosion. *Everybody Loves Our Town* captures the grunge era in the words of the musicians, producers, managers, record executives, video directors, photographers, journalists, publicists, club owners, roadies, scenesters and hangers-on who lived through it. The book tells the whole story: from the founding of the Deep Six bands to the worldwide success of grunge's big four (Nirvana, Pearl Jam, Soundgarden and Alice in Chains); from the rise of Seattle's cash-poor, hype-rich indie label Sub Pop to the major-label feeding frenzy that overtook the Pacific Northwest; from the simple joys of making noise at basement parties and tiny rock clubs to the tragic, lonely deaths of superstars Kurt Cobain and Layne Staley. Drawn from more than 250 new interviews—with members of Nirvana, Pearl Jam, Soundgarden, Alice in Chains, Screaming Trees, Hole, Melvins, Mudhoney, Green River, Mother Love Bone, Temple of the Dog, Mad Season, L7, Babes in Toyland, 7 Year Bitch, TAD, the U-Men, Candlebox and many more—and featuring previously untold stories and

never-before-published photographs, *Everybody Loves Our Town* is at once a moving, funny, lurid, and hugely insightful portrait of an extraordinary musical era.

[Searching for the Sound](#) Jun 24 2022 The legendary bass player tells the full, true story of his years with Jerry Garcia and the Grateful Dead in this "insightful and entertaining" (Austin Chronicle) memoir of life in the greatest improvisational band in American history. In a book "as graceful and sublime as a box of rain" (New York Times Book Review), the beloved bassist tells the stories behind the songs, tours, and jams in the Grateful Dead's long, strange trip from the 1960s to the death of Jerry Garcia in 1995 and beyond. From Ken Kesey's "acid tests" to the Summer of Love to bestselling albums and worldwide tours, the Dead's story has never been told as honestly or as memorably as in this remarkable memoir. "A fun ride...Even for the most well-read Deadhead, there's enough between the covers to make *Searching for the Sound* worth a look."

Stevie Ray Vaughan May 31 2020 In this newly revised and updated edition, Hopkins covers the complete history of Vaughan's life from 1954 through the present day: his roots, music, personal struggles, and shocking death.

Life of a Roadie Nov 29 2022 In all of Rock 'n Roll, it was the least of all cool jobs, but everyone who did it, wanted no other job: Roadie. No show ended or started without them; they were there hours before and hours after a concert. It paid minimum wage with no benefits.

But if you toured with the right group, you were dead in the middle of history. Few Roadies write their history, their personal stories, their pain and joy. But in Ronnie Rush's book, we see a slice of Rock history that does not try to bridge all of rock 'n roll music; the words place a small stone in the foundation of the growth of one group's life and travels. (Ross du Clair, Chief Engineer, Clear Channel Radio, Sacramento, CA) I've been to hell and back and shook hands with the devil, and I'm still walking tall without the smell of smoke upon me. -Ronnie Rush This book is about my experiences in the music business, starting from when I was a roadie with all the experiences I had with the artists I worked for and continuing through my times in radio until my retirement. The title, Life of a Roadie: the Gypsy in Me, describes how it was that early on, even while growing up, I had a gypsy-like personality that gave me the capacity to travel the United States. Life of a Roadie also tells about how I grew up and who I am, the history and personality that drove me to be able to handle the road and the success I experienced. I'll be taking the reader on a true-life journey that was mostly brought on by luck, circumstance, experience, and personal drive to succeed. There are three things I have always told people when I was approached and asked for advice while I was in the music business: Never give up, never give up, never give up!

When the Devil Smiles the Angels Frown: My Life and Times in Rock 'n' Roll Sep 03 2020 How a childhood punishment created an impossible dream in the

magical world of rock 'n' roll. They were modern-day pirates, banding together with creative revolutionaries who became the voice of a generation. They are the Knights of Rock, regular guys who had the honor and privilege of working with some of the greatest rock stars during an amazing time in history: the Classic Rock era. Leo Rossi is one of those Knights. A young Italian Catholic boy from the blue-collar Los Angeles port town of San Pedro, he tripped into an impossible dream and helped mega stars such as Fleetwood Mac and Stevie Nicks, The Beach Boys, Bette Midler, Diana Ross, Chaka Khan, Billy Idol, and many more. With a devil and an angel on his shoulders, Leo forged life-long skills while he learned the value of sacrifice, hard work, dedication, loyalty, and passion. Leo's life story proves that the wildest of dreams do come true.

John Jul 14 2021 Cynthia and John Lennon's relationship spanned ten crucial years of the Beatles phenomenon. But as well as new insight into the Beatles years, Cynthia has a compelling personal story of marriage, motherhood and the man who was to become the most idolised and admired of all the Beatles. Cynthia is candid about the cruel and the loving sides of John. She tells of the end of their marriage and the beginning of his relationship with Yoko Ono in more detail than ever before, and reveals the many difficulties estrangement from John - and then his death - brought for herself and Julian. Cynthia is a remarkable survivor and this is her extraordinary story and unique insight into a man loved and idolised

all over the world.

Behind Apr 30 2020 From having three top-forty hits before he was twenty, to being an in-demand studio musician recording with hit artists, Jimmy Ryan tells about his early years with The Critters, sharing the playbill with pioneers of rock 'n roll like The Rascals, The Ronettes, Little Anthony & the Imperials, Jay and the Americans; and, later, collaborating and recording with megastars such as Carly Simon, Cat Stevens, Jim Croce, Elton John, The Doors, Paul McCartney, Rod Stewart and many others. Behind is an adventure told in a series of revealing, entertaining, sometimes hilarious, sometimes tragic tales that take the reader into the minds of pop stars, the shadier side of the music business, the struggle with setbacks, and the joys of success. From partying at the Playboy Mansion to panicking in a local prison with his bandmates, Ryan shares the experience of over six decades in the upper echelons of the music business. Behind is an insider's look into the people and business of the music industry. It examines how superstars and their musicians handle stress, their humanity, frailty, insecurities, and neuroses. It chronicles one musician's lifetime in the profession, sometimes in the spotlight, more often behind it, and most often in the recording studio as a composer, arranger, musician, producer, and engineer. Though by no means a tell-all hit piece, it instead employs humor, humility, occasional touches of gentle sarcasm, and masterful storytelling to craft a portrait of those who achieved stardom, their rewards,

and their excesses, the alcohol and drugs, the emotional breaks, and self-destruction that befell so many, as well as those who failed in its pursuit. Ultimately, *Behind* is a lighthearted and joyful narrative that documents important moments in rock history. At the same time, its colorful stories and collection of personal photographs evoke memories of youth, concerts with friends, turbulent times of social change, and the delight of hits that made up the soundtrack of our lives. I invite you to take a first-hand look into the wonderful, often insane world of music through the eyes of a lifer, a musician who has found success and fulfillment by shapeshifting his way through a lifetime *Behind the stars*.

*Sex, Drugs, Ratt & Roll* Nov 17 2021 A tell-all memoir from the lead singer of the 1980s hair-metal band Ratt reveals all the aspects of rock star excess, including the groupies, the trashed hotel rooms, and the drugs.

*Storms* Jul 02 2020 A consummate insider as the girlfriend of Lindsey Buckingham, Fleetwood Mac singer and guitarist, Carol Ann Harris leads fans into the very heart of the band's storms between 1976 and 1984. From interactions between the band and other stars--Mick Jagger, Eric Clapton, and Dennis Wilson--to the chaotic animosity between band members, this memoir combines the sensational account of some of the world's most famous musicians with a thrilling love story. The parties, fights, drug use, shenanigans, and sex lives of Fleetwood Mac are presented in intimate detail and illustrated with never-before-seen

photographs. With the exception of one brief interview, Carol Ann Harris has never before spoken about her time with Fleetwood Mac.

Bradley Wiggins: My Time Jun 12 2021 On 22 July 2012 Bradley Wiggins made history as the first British cyclist to win the Tour de France. Ten days later at the London Olympic Games he won gold in the time trial to become his country's most decorated Olympian. In an instant 'Wiggo', the kid from Kilburn, was a national hero. Outspoken, honest, intelligent and fearless, Wiggins has been hailed as the people's champion. From his lowest ebb following a catastrophic attempt to conquer the 2012 Tour and the loss of his granddad who had raised him as a boy, My Time tells the story of his remarkable journey to win the world's toughest race. INCLUDES A BRAND NEW CHAPTER SHORTLISTED FOR THE BRITISH SPORTS BOOK AWARD FOR BEST AUTOBIOGRAPHY

The Speed of Sound Apr 10 2021 The remarkable story of rising to the top of the music charts, a second act as a tech pioneer, and the sustaining power of creativity and art. Thomas Dolby's hit songs "She Blinded Me with Science" and "Hyperactive!" catapulted him to international fame in the early 80's. A pioneer of New Wave and Electronica, Thomas combined a love for invention with a passion for music, and the result was a new sound that defined an era of revolutionary music. But as record company politics overshadow the joy of performing, Thomas finds a surprising second act. Starting out in a rat-infested London bedsit, a teenage

Thomas Dolby stacks boxes by day at the grocery and tinkers with a homemade synthesizer at night while catching the Police at a local dive bar, swinging by the pub to see the unknown Elvis Costello and starting the weekend with a Clash show at a small night club. London on the eve of the 1980s is a hotbed for music and culture, and a new sound is beginning to take shape, merging technology with the musical energy of punk rock. Thomas plays keyboards in other bands' shows, and with a bit of luck finds his own style, quickly establishing himself on the scene and recording break out hits that take radio, MTV and dance clubs by storm. The world is now his oyster, and sold out arenas, world tours, even a friendship with Michael Jackson become the fabric of his life. But as the record industry flounders and disillusionment sets in, Thomas turns his attention to Hollywood. Scoring films and computer games eventually leads him to Silicon Valley and a software startup that turns up the volume on the digital music revolution. His company barely survives the dotcom bubble but finally even the mavericks at Apple, Microsoft, Netscape and Nokia see the light. By 2005, two-thirds of the world's mobile phones embed his Beatnik software. Life at the zenith of a tech empire proves to be just as full of big personalities, battling egos and roller-coaster success as his days spent at the top of the charts. THE SPEED OF SOUND is the story of an extraordinary man living an extraordinary life, a single-handed quest to make peace between art and the digital world.

Loud Aug 27 2022 'Douglas's story is a rock history time capsule and a journey of self-discovery all at once.' ROLLING STONE What goes on tour stays on tour -- unless you're the the first woman roadie in the world At just fifteen, Tana Douglas ran away to the circus that was rock 'n' roll in the 1970s, taking a job with a young and upcoming band called AC/DC. While still a teenager she headed to the UK and later the US to work for a who's who of bands and artists. Life on the road was exhilarating, hard work, occasionally surreal but never dull, particularly when you're the only woman in the road crew and the #metoo movement is still 40 years away. Whether wrangling Iggy Pop across Europe, climbing trusses while seven months pregnant, drinking shots of JD with Bon Scott backstage at Wembley, or donning a tailor-made suit to do lights for Elton at Windsor Castle, Tana did it all. Loud is rock 'n' roll like you've never seen it before, by a woman who not only survived the all-male world on the road but climbed to the top and lived to tell the tale. AC/DC \* Deep Purple \* ELO \* Elton John \* Ice Cube \* Ice-T \* Iggy Pop\* INXS \* Iron Maiden \* Lenny Kravitz \* Neil Diamond \* Ozzy Osbourne \* Patti Smith \* Pearl Jam \* Rage Against the Machine \* Red Hot Chili Peppers \* Santana \* Status Quo \* Suzi Quatro \* The Offspring \* The Police \* The Runaways \* The Who \* Vanda & Young and more!
