past Exam Papers (0547-21) 2018 with Explanations 3 Cambridge IGCSE Chinese Foreign Language (0547-21) 2018 Intensive Revision Video Course - Examination Skills, Tips and Guide Cambridge IGCSE is the world's most popular international qualification for 14 to 16 year old. It is recognized by leading universities and employers worldwide, and is an international passport to progression and success. Developed over 25 years ago, it is tried, tested and trusted by schools worldwide. This syllabus is designed for learners who are learning Mandarin Chinese as a foreign language. The aim is to develop an ability to use the language effectively for purposes of practical communication. The course is based on the linked language skills of listening, reading, speaking and writing, and these are built on as learners progress through their studies. Cambridge IGCSE Chinese aims to offer insights into the culture and civilization of countries where Mandarin Chinese is spoken, encouraging positive attitudes towards language learning and towards speakers of foreign languages. 5 full tests fully aligned with the revised Cambridge IGCSE First Language English 2020 syllabus. Ideal for use in the final year of the Cambridge IGCSE First Language English course, this book provides scaffolded support for students approaching the examination. The book contains five full examination papers organised by task type, accompanied by model and sample responses, mark schemes, examiner grades and comments, learning and exam strategy training, and examiner tips.
