Upon entering a Japanese  
Buddhist temple in Hawai'i,  
most people—whether first-  
time visitors or lifelong  
members—are overwhelmed by  
the elaborate and complex  
display of golden ornaments,  
intricately carved altar tables  
and incense burners, and  
images of venerable masters  
and bodhisattvas. These

objects, as well as the architectural elements of the temple itself, have meanings that are often hidden in ancient symbolisms. This book, written by two local authorities on Japanese art and religion, provides a thorough yet accessible overview of Buddhism in Hawai'i followed by a temple-by-temple guide to the remaining structures across the state. Introductory chapters cover the basic history, teachings, and practices of various denominations and the meanings of objects commonly found in temples. Taken together, they form a short primer on Buddhism in Japan and Hawai'i. The heart of the book is a narrative description of the ninety temples still extant in Hawai'i. Augmented by over 350 color photographs, each entry begins with historical background information and continues with descriptions of architecture, sanctuaries, statuary and ritual implements, columbariums, and grounds. Appended at the end is a chart listing each

temple's denomination, membership number, and architectural type. While many Buddhist temples in Hawai'i are active social and religious centers, a good number are in serious decline. In addition to being an introduction to Buddhism and a guide book, Japanese Buddhist Temples in Hawai'i is an indispensable historical record of what exists today and what may be gone tomorrow. It will appeal to temple members, pilgrims, residents and tourists interested in local cultural and historic sites, and historians of Buddhism in Hawai'i. The finest guidebook ever written for O'ahu. Now you can plan your best vacation--ever. This all new expanded fifth edition is a candid, humorous guide to everything there is to see and do on the island. Written by the author of the best-selling guides, Maui Revealed, Hawaii The Big Island Revealed and The Ultimate Kauai Guidebook. Explore with him as he reveals breathtaking trails, secluded beaches, pristine reefs, delicious places to dine,

relaxing places to stay, exciting waterfalls, colorful valleys and so much more. Every restaurant, activity provider, business and resort is reviewed personally and anonymously. This book and a rental car are all you need to discover what makes O'ahu so exciting. The most up-to-date and accurate information available anywhere with up-to-the-minute changes posted to our website Frank, brutally honest reviews of restaurants, hotels and activities show you which companies really are the best and which to avoid--no advertisements Driving tours let you structure your trip your way, point out sights not to be missed along the way and are complemented by over 150 spectacular color photographs 21 specially-created maps in an easy-to-follow format with landmarks--so you'll always know where you are on the island Clear, concise directions to those hard-to-find places such as deserted beaches, hidden waterfalls, lush rain forests, spectacular coastlines and scores of other hidden

gems listed nowhere else Exclusive chapter on O'ahu's beaches with detailed descriptions including ocean safety Unique Adventures & Attractions chapter, over 60 pages of exciting activities from ATVs to whale watching, and over 200 restaurant reviews. Fascinating sections on Hawai'i's history, culture, language and legends Companion website with links to every business, events calendar, over 80 resort reviews complete with aerial photos--so you'll know if oceanfront really means oceanfront Oahu Revealed covers it all--from the top of the Ko'olaus to the lost sunken island off Kane'ohe. This is the best investment you can make for your O'ahu vacation. Whether you are a first time visitor or a long time kama'aina, you will find out more about O'ahu from this book than from any other source. Discover the island of your dreams with Oahu Revealed." Using his knowledge of the sea and stars, Vahi-roa the navigator guides a

group of Tahitians aboard a great canoe to the unknown islands of Hawaii. Introduces Hawaiian history and culture, and evaluates places to see, amusements, outdoor activities, restaurants, and accommodations on the island of Hawaii. The triumphant true story of the native Hawaiian cowboys who crossed the Pacific to shock America at the 1908 world rodeo championships Oregon Book Award winner \* An NPR Best Book of the Year \* Pacific Northwest Book Award finalist \* A Reading the West Book Awards finalist

"Groundbreaking. ... A must-read. ... An essential addition."  
—True West In August 1908, three unknown riders arrived in Cheyenne, Wyoming, their hats adorned with wildflowers, to compete in the world's greatest rodeo. Steer-roping virtuoso Ikuia Purdy and his cousins Jack Low and Archie Ka'au'a had travelled 4,200 miles from Hawaii, of all places, to test themselves against the toughest riders in the West. Dismissed by whites,

who considered themselves the only true cowboys, the native Hawaiians would astonish the country, returning home champions—and American legends. An unforgettable human drama set against the rough-knuckled frontier, David Wolman and Julian Smith's Aloha Rodeo unspools the fascinating and little-known true story of the Hawaiian cowboys, or paniolo, whose 1908 adventure upended the conventional history of the American West. What few understood when the three paniolo rode into Cheyenne is that the Hawaiians were no underdogs. They were the product of a deeply engrained cattle culture that was twice as old as that of the Great Plains, for Hawaiians had been chasing cattle over the islands' rugged volcanic slopes and through thick tropical forests since the late 1700s. Tracing the life story of Purdy and his cousins, Wolman and Smith delve into the dual histories of ranching and cowboys in the islands, and the meteoric rise and sudden fall of Cheyenne,

“Holy City of the Cow.” At the turn of the twentieth century, larger-than-life personalities like “Buffalo Bill” Cody and Theodore Roosevelt capitalized on a national obsession with the Wild West and helped transform Cheyenne’s annual Frontier Days celebration into an unparalleled rodeo spectacle, the “Daddy of ‘em All.” The hopes of all Hawaii rode on the three riders’ shoulders during those dusty days in August 1908. The U.S. had forcibly annexed the islands just a decade earlier. The young Hawaiians brought the pride of a people struggling to preserve their cultural identity and anxious about their future under the rule of overlords an ocean away. In Cheyenne, they didn’t just astound the locals; they also overturned simplistic thinking about cattle country, the binary narrative of “cowboys versus Indians,” and the very concept of the Wild West. Blending sport and history, while exploring questions of identity, imperialism, and race, Aloha Rodeo spotlights an overlooked

and riveting chapter in the saga of the American West. This is the first field guide to the identification of the birds of the islands of the tropical Pacific, including the Hawaiian Islands, Fiji, Samoa, Tonga, southeastern Polynesia, and Micronesia. It is intended both as a reference for the expert and as an introduction to birding in the region for the novice. Small enough to be carried afield, it contains much previously unpublished information about behavior, vocalizations, ecology, and distribution. The forty-five color plates depict all plumages of all bird species that breed in the islands, as well as of those that regularly visit them and the surrounding oceans, and of most species believed to be extinct on the islands. Black-and-white figures show many of the rarer visitors. Introductory sections discuss the tropical Pacific as an environment for birds, problems of birding on islands, and bird conservation. Appendixes include maps of the island groups and a thorough

bibliography. Features hundreds of clear underwater photographs and detailed easy-to-read descriptions of 386 fish species, as well as the whales, dolphins, and turtles most often seen in Hawaii. This is the most complete Hawaii field underwater guide. Instagram sensation Clark Little shares his most remarkable photographs from inside the breaking wave, with a foreword by world surfing champion Kelly Slater. "One of the world's most amazing water photographers . . . Now we get to experience up-close these moments of bliss."—Jack Johnson, musician and environmentalist Surfer and photographer Clark Little creates deceptively peaceful pictures of waves by placing himself under the deadly lip as it is about to hit the sand. "Clark's view" is a rare and dangerous perspective of waves from the inside out. Thanks to his uncanny ability to get the perfect shot--and live to share it--Little has garnered a devout audience, been the subject of award-winning

documentaries, and become one of the world's most recognizable wave photographers. Clark Little: The Art of Waves compiles over 150 of his images, including crystalline breaking waves, the diverse marine life of Hawaii, and mind-blowing aerial photography. This collection features his most beloved pictures, as well as work that has never been published in book form, with Little's stories and insights throughout. Journalist Jamie Brisick contributes essays on how Clark gets the shot, how waves are created, swimming with sharks, and more. With a foreword by eleven-time world surfing champion Kelly Slater and an afterword by the author on his photographic practice and technique, Clark Little: The Art of Waves offers a rare view of the wave for us to enjoy from the safety of land. Introduces Hawaiian history and culture, and evaluates places to see, amusements, outdoor activities, restaurants, and accommodations on the island of Hawaii. In this

brilliant reinvention of the travel guide, artists, activists, and scholars redirect readers from the fantasy of Hawai'i as a tropical paradise and tourist destination toward a multilayered and holistic engagement with Hawai'i's culture, complex history, and the effects of colonialism. Written in the same accessible style and format as the highly successful *The Hikers Guide to O'ahu*, this updated and expanded volume includes the best day hikes and backpacks on the Big Island, Kaua'i, Maui, and O'ahu. Each island is represented by thirteen hikes, for a total of fifty-two in all. Together they offer residents and visitors the essential information to safely explore some of Hawai'i's most spectacular scenery. For each trip, the author provides directions to the trailhead, a detailed route description, a topographical map, and facts on the hike length, elevation gain, and degree of difficulty. For GPS users, UTM and latitude/longitude coordinates are added for the trailhead and

endpoint of each route. The expanded notes section helps readers identify and appreciate geological features, historical points of interest, and commonly encountered plants and birds along the trail. An insert of color photographs highlights the breathtaking scenery enjoyed by hikers. Detailed and timely information on accommodations, restaurants and local attractions highlight these updated travel guides, which feature all-new covers, a dramatic visual design, symbols to indicate budget options, must-see ratings, multi-day itineraries, Smart Travel Tips, helpful bulleted maps, tips on transportation, guidelines for shopping excursions and other valuable features. Original. The son of a singer mother whose career forcibly separated her from her family and an influential father who runs an orphan work camp, Pak Jun Do rises to prominence using instinctive talents and eventually becomes a professional kidnapper and romantic rival to Kim Jong Il.

By the author of *Parasites Like Us*. The finest guidebook ever written for Kauai. This brand new fifth edition has more useful information, the most up to date maps and scores of hidden gems listed nowhere else. This book and a rental car are all you need to discover what makes the Garden Island so special. Book jacket. How much do you know about the Aloha State? There's so much to learn about Hawaii that even residents of the state don't know! In this trivia book, you'll learn more about Hawaii's history, pop culture, folklore, sports, and so much more! In *The Great Book of Hawaii*, you'll find the answers to the following questions: How did Hawaii get its name? Why is it called the Aloha State? Why was it once called "The Kingdom of Hawaii"? Which sport was invented in Hawaii? Which movies have been filmed in the state? What legends from the Hawaiian culture haunt the state? What's Hawaii's most famous unsolved mystery? And so much more! As an added bonus, you'll learn

words from the Hawaiian language throughout the book. This book is packed with trivia facts about Hawaii. Some of the facts in this book are surprising, while others are sad or creepy. The one thing they have in common is that all of them are interesting! Whether you're just learning about Hawaii or you already think you're an expert on the state, you'll learn something you didn't know in every chapters. Your history teacher will be interesting at all of your newfound knowledge. So, what are you waiting for? Get started to learn more about Hawaii! Cilantro, lemon grass, and ginger root provide the distinctive flavor of many Asian and Pacific Rim dishes. In Hawaii'i these herbs are used in everyday cooking as well as in the elaborate cuisine created by some of the Island's most innovative chefs. Yet even in Hawaii'i, people find it difficult to identify these common herbs in the market or garden. *Ethnic Culinary Herbs* is a fully illustrated guidebook that describes more than thirty

herbs grown, sold, and used in Hawai'i. (Many can also be found in ethnic produce markets throughout North America.) Unlike most herb books, which cover the same limited range of species (largely those of European and Mediterranean origin), this volume brings together information about herbs from other parts of the world and not only identifies the plants but also explains their use and cultivation. Each species is identified by its scientific name, and common names are listed for several languages spoken in Hawai'i. (For example, the Chinese or garlic chive is also identified by its Chinese, Japanese, Filipino, Thai, and Vietnamese names.) A brief, nontechnical description of each herb is accompanied by a full-page line drawing and one or more color photographs. Entries on culinary use are followed by specific instructions for the herb's cultivation and best methods of propagation. Pests and diseases are discussed as well as their control and

treatment. An index of common and scientific names permits access to main entries using any name available to the reader. For those interested in observing growing plants, an appendix provides the location of all Honolulu Community Garden sites, where many of the herbs can be found. Herb fanciers, chefs, gardeners, and botanists will be delighted with this thoroughly reliable and useful guide. Whether you want to admire Hawaii's fiery volcanoes or explore its diverse coastlines, uncover history at Pearl Harbour or discover vibrant cities like Honolulu, your DK Eyewitness travel guide makes sure you experience all that Hawaii has to offer. National Park, Hana, Molokai, Lanai, and more. **ABOUT FODOR'S AUTHORS:** Each Fodor's Travel Guide is researched and written by local experts. Planning on visiting the rest of Hawaii? Check out Fodor's state-wide guide to Hawaii, Essential Hawaii, as well as Fodor's Big Island, Fodor's Oahu, and Fodor's Kauai. The enormous impact of sugarcane plantations in Hawai'i has overshadowed the fact that Native Hawaiians introduced sugarcane to the islands nearly a millennium before Europeans arrived. In fact, Hawaiians cultivated sugarcane extensively in a broad range of ecosystems using diverse agricultural systems and developed dozens of native varieties of kō (Hawaiian sugarcane). Sugarcane played a vital role in the culture and livelihood of Native Hawaiians, as it did for many other Indigenous peoples across the Pacific. This long-awaited volume presents an overview of more than one hundred varieties of native and heirloom kō as well as detailed

varietal descriptions of cultivars that are held in collections today. The culmination of a decade of Noa Lincoln's fieldwork and historical research, *Kō: An Ethnobotanical Guide to Hawaiian Sugarcane Cultivars* includes information on all known native canes developed by Hawaiian agriculturalists before European contact, canes introduced to Hawai'i from elsewhere in the Pacific, and a handful of early commercial hybrids. Generously illustrated with over 370 color photographs, the book includes the ethnobotany of kō in Hawaiian culture, outlining its uses for food, medicine, cultural practices, and ways of knowing. In light of growing environmental and social issues associated with conventional agriculture, many people are acknowledging the multiple benefits derived from traditional, sustainable farming. Knowledge of heirloom plants, such as kō, is necessary in the development of new crops that can thrive in diversified, place-specific

agricultural systems. This essential guide provides common ground for discussion and a foundation upon which to build collective knowledge of indigenous Hawaiian sugarcane. Introduces Hawaiian history and culture, and evaluates places to see, amusements, outdoor activities, restaurants, and accommodations on the island of Hawaii. Fun and educational coloring books explore many beautiful and unique aspects of Hawai'i, including nature and culture. "A coloring book designed to familiarize you with the special animals of Hawai'i. All of the animals in this book are native to Hawai'i."--Page 4 of cover. Froggy can't wait to get to Hawaii. He's got big plans! Surfing, swimming with the fish, learning to dance the hula -he'll be busy every moment. But somehow, when lovable, trouble-prone Froggy's around, nothing goes as planned. Are you planning a family trip to Hawaii and want to help your kids learn about where you are going AND help them stay

engaged while you are there? Or are you looking for a book to teach your kids about this amazing place? The Hawaii kids travel guide has you covered! This book includes information the history, natural environment, and places on the following Hawaiian Islands: Kauai, Oahu, Maui, and the Big Island. Not only are there fun facts in this book, but also activities for kids to do on almost every page. Need something to occupy them while out to eat? Pull this out, read about what you'll see next, and then hand it over and

watch them play and color. There are also journal pages where they can draw and/or write about the things they are doing, seeing, and eating along the way creating a keepsake that they can look back on for years. Great for ages 4 - 10 though people of all ages will learn so much! The 8.5x11 book is paperback, making it lightweight enough to easily pack in a suitcase! Follow Family A Go Go (family\_a\_go\_go) on Instagram to see what we are working on and where we are traveling!
