Prepare to turn pages late into the night **NATIONAL BESTSELLER** • A mysterious former Sith wanders the galaxy in this stunning Star Wars tale, an original novel inspired by the world of *The Duel* from the *Star Wars Visions* animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of

his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life. A vampire novel set in a richly realized post-Soviet Moscow, The Night Watch has sold across Europe and to 20th Century Fox for

huge advances. In *The Night Watch*, the first of a trilogy, and reminiscent of Philip Pullman's *His Dark Materials* in its ambitions and achievement, the setting is contemporary Moscow. A small number of Muscovites with supernatural powers — those who are Other, owing allegiance either to the Dark or the Light — co-exist in an uneasy truce, each side keeping a close eye on the other's activities around the city. Anton, an Other on the side of the Light, is a night-watchman, patrolling the streets and Metro of the city as he protects ordinary people from the vampires of the Dark. On his rounds, Anton comes across a young woman, Svetlana, whom he realizes is under a curse that threatens the entire city, and a boy, Igor, a young Other, as yet unaware of his own enormous power. Partnered by Olga, an Other who is in the form of an owl, he struggles to remove the curse and thereby save the city, while at the same time prevent Igor from falling into the clutches of

the Dark. *The Night Watch* explores the nature of good and evil and the tensions between the individual and the collective in a gripping narrative that owes as much to *The Master and Margarita* as it does to the richly realized worlds of Philip Pullman and Tolkien. *Collects Vision* (2015) #7-12. Tragedy is coming, and it will send the *Android Avenger* into a devastating confrontation with *Earth's Mightiest Heroes*. Nobody is
