*The hunters' pack is swelling. They're whooping. The hounds are baying for my blood. The drumbeats are growing unbearably loud. They're circling me. They're closing in on me . . .'* Yashwant Chittal's acclaimed novel *Shikari*, set in the concrete jungles of Bombay, weaves together the high-stakes conspiracies of the corporate world and the parochial intrigues of a close-knit community. Nagappa, a senior manager at an MNC, is framed for a crime he has not committed. As the story unfolds, it reveals a fiercely competitive arena where Man's primordial instincts surface, and the line between the hunter and the hunted is often blurred. *Shikari* is a monumental work in which Chittal, as far back as 1979, exposed the underbelly of the corporate world. Translation of selected fictions of Gujarati. Lavanya Shanbhogue-Arvind is the winner of the Commonwealth Short Story Special Prize (2011). It's all about The Sexes and how to negotiate the new equations society demands in a rapidly changing, super charged gender confrontation that is throwing up fresh challenges nobody has any real answers to.... but which involve us all.* Shobhaa Dé presents a thought provoking anthology of her feminist writings. This volume is bound to engage, provoke, enthrall, and stimulate the minds of readers with the range of subjects that she tackles. No topic is too bold. Nothing is taboo. Shobhaa bravely goes into sensitive terrain, raising important questions about our emotional complexities when it comes to issues that concern sexual politics in today's India. Dé covers it all, as she dexterously gets into the minds of contemporary Indians, and candidly exposes familiar hypocrisies and hang ups. From tricky marital issues that most are scared to admit to our moral double standards while judging movie stars, politicians, Godmen and assorted celebrities, Dé is convinced that behind a veil of empowerment urban women don't have it easy at all. Unabashedly she debunks the use of nauseatingly old-fashioned terms like 'keep' by an erudite judge, which in turn elicits a quick reaction from legal luminaries. *Shobhaa: Never a Dull Dé* provides tantalizing insights into the hidden lives of superstars to shocking incidents in small-town India that rarely find a spot on the front-page; poignant stories about women who silently suffer sexual violations; to the fascinating lives of women politicians who have made it big . Her writing is richly layered and insightful making it hard-hitting and socially relevant. As an important social commentator and opinion shaper, this is De at her sharpest best, fearlessly taking on prejudice and humbug, injustice and oppression, without once losing her humanity. Shobhaa Dé's rightful sobriquet: the Empress of the Hearts and Minds of the reading masses comes to life in *Shobhaa: Never a Dull Dé! Between elegant soirees and the occasional mortifying mishap, Aisha Bhatia's job as guest relations manager at New Delhi's five-star Grand Orchid Hotel is intermittently fabulous—she certainly knows her wines and cheeses. But despite a life filled with good friends and first-class travel accommodations, the fact is that not many twenty-nine-year-old women in India are single—as Aisha's mother never fails to remind her. Somewhere a clock is ticking, though as far as Aisha is concerned, it can be cheerfully drowned out by laughter over a champagne brunch. Yet when the handsomely chiseled Karan Verma arrives from New York, Aisha experiences an unexpected attitude adjustment. Karan is everything she's ever wanted...that is, if she actually knew what she wanted. Is it possible that she's about to find out? Savvy, sexy, and unforgettable, *Almost Single* tackles the loving, exasperating tug-of-war between mothers and daughters, traditional customs and contemporary romance—and what happens when a modern Indian woman is caught in the middle. Based on folklore, legends and myths, and backed by meticulous research, *Citadel of Love* is set in Odisha of the thirteenth-century-considered the state's golden age, when the Konark temple was being built under King Narasimha Deva's patronage. A modern-day foreigner, Charles, arrives with his fiancée to study the Konark region. As he discovers palm leaf manuscripts and records tales that were handed down generations, he begins to have strange experiences. A woman's statue, in particular, haunts him till he is transported to a time when she was alive and the Konark complex was under construction. Two mystical love stories of the past unfold, even as new romance blooms in Charles' life. Surreal, mysterious and often bordering on the magical-real, this is a tale of passion that spans centuries. The greatest work of Pratibha Ray is definitely her novel *Magnamati (After the Deluge)* first published in the Odia in 2004, translated into several Indian languages and into English by Prafulla Kumar Mohanty. Based on the 1999 killer cyclone of Odisha which devastated the entire coastal belt, it is one of the most original novels depicting the saga of mother Earth and her relationship with her children, the human race. Which she

holds in display as she does trees, rivers, mountains and seas. Man is sustained by this mother, nourished in his destiny. But when man transgresses the epitomic tolerance of mother Earth, she chastises him with her demonic fury. The cyclone in this novel is symbolic of nature's fury which she lashes out on man and civilization with as much diabolism as she lavishes her love, kindness and divine grace with tenderness. Pratibha creates a world of villages, valleys, rivers, seas and people, tracing the history of the fisherman community to it's a mythical ancestor. This community, in the novel, grows organically, spreading far and wide like a world full of men of all religions, languages and professions, and how it grows and expands into a modern civilized unit despite primitive professions and poverty. After the Deluge is a powerful saga of the jest for life of man on the Earth and how Bikram and Girima unite the survivors into a human group to fulfill destiny's course in a new world called Basumatipur (Mother earth). The vibration of the sacred sound of her beloved's name, 'Ram', filled her mind as it emanated from the tiny Vanara. 'His being is filled with Rama,' she pondered, 'but does he know me?' Sita, the beloved princess of Mithila, is one of the most revered women in Indian history; so well known, yet probably the least understood. At every crossroad of her life, she chose acceptance and grace over self-pity. Her life was filled with sacrifice yet wherever she was, there was abundance. It was as if she was carved out of an intense longing for Rama, yet she had infinite patience. In every situation she reflected his light and he reflected her love. In her, we find someone who is so divine yet so human. In this poignant narration, Bhanumathi shows us the world through the eyes of Sita. We think what Sita thinks, we feel what she feels, and for these few special moments, we become a part of her. And perhaps, through this perspective, and Sita's immortal story, we will discover the true strength of a woman. The true story of one girl who said "no" to tradition, and the effect it had upon a nation. In a remote village in Bengal, 11-year-old Rekha and her large family lived by rolling handmade cigarettes. She frequently observed the abrupt departure of her friends to go live with their mothers-in-law, where they were often treated like slaves. In spite of her youth, Rekha was aware of the harm done to these little girls. When, in their turn, her parents found a husband for her, a man she didn't know, she flew into a blinding rage at the idea of being taken away from any further schooling for good. After that, Rekha went from village to village to tell her story, and especially to explain the tragic consequences of early marriages. Thanks to her, several dozen children found the courage to say no to this tribal tradition. Her story gained national attention with India's newspaper hailing her for accomplishing change that the India government was incapable of making. Her exemplary journey gained her the recognition of the highest courts in the land, she has had an audience with the Indian President, and she is a recipient of India's National Bravery Award. Written with the collaboration of Mouhssine Ennaimi, a distinguished reporter for Radio France, *The Strength to Say No*, translated from Ennaimi's acclaimed French edition, is a documentary portrait of one girl's monumental struggle. In Karachi, a writer house-sits for her father and his cat, while keeping track of his - the cat's - list of obsessions: ironed white sheets, kheer, KFC fries, warm custard, finely chopped sausages, and the flaky tops of chicken patties. In San Francisco, a couple adopt a cat, without anticipating what it will do to their relationship. In Noida, a cat and two dogs line up peacefully every morning for their daily dose of vitamin syrup. In Bombay, a lyricist and screenwriter roots through the litter tray first thing in the morning, to investigate if his cat's UTI is better. In wintry London, a young millennial wonders if she is actually a cat. Capturing the many moods of felines and their humans, in many forms and voices, *Cat People*, is a timely celebration of the most memed creature today: the cat. This collection of short stories, personal essays, lists, original art and photographs is a treat, not just for cat lovers everywhere, but for all who love a story well-told – and, on occasion, a theory well-spun. One day in November 2001, Mukesh Ambani, Chairman of Reliance Group, the largest private sector enterprise in India, mandated K.V. Subramaniam to build a life sciences business from scratch. With no formal education in biology, he was initially at sea. But, endowed with a corporate business development background and a do-or-die spirit, he set out to systematically understand and create a research-driven, biotechnology-leveraged company with a

differentiated footprint and a distinct culture. In the process, in an environment that is severe on performance, which Reliance Group is known for, he defied detractors, fixed snags and surmounted both personal and business setbacks to ring in a successful technology business with sustained high growth, profitability and stature. Apart from giving insights into the Reliance way of building and managing businesses, K.V. Complaints about the state of medical care are increasing in today's India: whether it's unnecessary investigations, botched operations or expensive—sometimes even harmful—medication. But while the unease is widespread, few outside the profession understand the extent to which the medical system is being distorted. Dr Arun Gadre and Dr Abhay Shukla have gathered evidence from seventy-eight practising doctors, in both the private and public medical sectors, to expose the ways in which vulnerable patients are exploited by a system that promotes unscrupulous medical practices. At a time when the medical sector is growing rapidly, especially in urban areas, with the proliferation of multi-specialty hospitals and the adoption of ever-more sophisticated technologies, rational and ethical medical care is becoming increasingly rare. Honest doctors feel under siege, professional bodies meant to regulate the medical sector fail to do so, and the influence of the powerful pharmaceutical industry becomes even more pervasive. Drawing on the frank and courageous statements of these seventy-eight doctors dismayed at the state of their profession, *Dissenting Diagnosis* lays bare the corruption afflicting the medical sector in India and sets out solutions for a healthier future. Hymn to Tripurasundarī (Hindu deity).
